B. ACADEMICS

1. EL Task Force Update (Presenters: Lynnette Hawkins)

EL Task Force Responsibilities

- Monitor implementation of DCP's Roadmap for English Learner Success
- Review analysis of multiyear English learner performance data and make recommendations for improvement to the Exec Team and Board of Directors
- Support continuous improvement and foster internal accountability for all educational partners

Recommendations to Senior Leadership (Final):

1. By September 26, the DLDS will record and share with teachers a webinar modeling how to access and interpret growth trends (longitudinal data) for English learners' language development and how to use the data to plan Designated and Integrated ELD.

2. Sites will prioritize lesson planning for Designated and Integrated ELD by providing at least 30 minutes each month for collaborative planning during PD time.
3. By December 1, members of the EL Task Force will interview at least 4 English learners from each site, including at least one student who is a newcomer and at least one student who is a long-term English learner, to learn about their experiences at DCP.

## 2. Academic Integrity Board Policy (First Read) (Presenters: Valerie Royaltey-Quandt)

Description of Draft version of Academic Integrity Policy. Definitions of Academic Dishonesty:

- “Plagiarism”:
  - o The unauthorized use or close imitation of the language and thoughts of another author and the representation of them as one’s own original work.
  - o To claim products generated by Artificial Intelligence as your own
- “Artificial Intelligence”: Artificial Intelligence (“AI”) is a computer, robot, or other programmed mechanical device having the humanlike capacity to perform operations and tasks analogous to learning and decision making in humans, or question answering.

Examples of AI include the following:

- o “Chatbot”: a computer program in the form of a virtual email correspondent that can reply to messages from computer users.
- o “ChatGPT”: ChatGPT is generative AI chatbot. It is a natural language processing tool driven by AI technology that allows human-like conversations and much more with a chatbot. The language model can answer questions and assist with tasks, such as composing emails, essays, music, images, and code.

Process for Addressing Incidents of Academic Dishonesty or Plagiarism

1. Initial Incident
  - The student will receive a written warning and will be required to redo the assignment. If the student fails to resubmit the assignment, the student will receive an F/O.
2. Second Incident
  - The student will receive an F/O on the assignment.
3. Third (and subsequent) Incident(s)
  - Student may be subject to discipline in accordance with Charter School policies.
