Following the July 12 Board meeting, the Strategic Plan Task Force met on July 22 and August 5 to debrief feedback from the Board and presidents and to create revised versions of the vision, mission, and strategic plan. Task force members will solicit feedback on these updated drafts during the August 30 Board meeting.

Commissioner's Recommendation

The Commissioner recommends that the Board review and discuss the updated vision, mission, and strategic plan the task force developed based on the Board's feedback at its last meeting.
