[Board Policy R715, Institutional Residences](#), provides for institutional coverage of expenses for maintenance, repair, utilities, insurance, and domestic assistance serving institutional purposes. Policy requires annual reports for the previous year's actual expenses and the current year's budget, as summarized in the table above.

<sup>1</sup>WSU, UVU, SLCC - amounts reflect housing allowance and institutional functions.

<sup>2</sup>Beginning in 2024-25, the SUU institutional residence was reclassified, and no budget was submitted.

Technical colleges do not have institutional residences, nor do presidents receive a housing allowance.
