

MEMORANDUM

TO: NWFSC Foundation Board Development Committee

FROM: Mr. Chris Stowers, Executive Director

DATE: July 18, 2024

SUBJECT: Athletic Named Gift Opportunities

Foundation Board Policy GP #15 – Facility Naming – states that the responsibility for the naming of College buildings and other physical and non-physical properties and assets is a collaborative effort between the College and the Foundation. In addition, Foundation will be responsible for setting and recommending minimum gift amounts required for naming of each type of asset subject to approval by the President and final ratification by the NWF State College Board.

As *Sound the Siren: The Campaign for Raider Athletics* seeks to solicit gifts to build the new endowment, the Foundation and Athletics Department have worked together to develop a comprehensive list of potential naming opportunities to recognize significant contributions.

The President has approved the attached list and the Development Committee is asked to review and recommend approval by the Board of Directors for submission to the Board of Trustees for final approval.

Please note, four of the locations on the list were previously approved by the Foundation Board and College Trustees.

RECOMMENDATION:

The NWFSC Foundation Development Committee approves the list of Named Gift Opportunities for presentation to the Board.
