SUBJECT: Annual Solicitations Report

First Generation Matching Grant

The First Generation Matching Grant (FGMG) is a need-based program providing financial aid to Florida undergraduate residents who demonstrate financial need and whose parents have not earned a baccalaureate degree.

Each Year the State of Florida earmarks a specific allocation to support Northwest Florida State College first generation students. The state-to-private match is 2:1 which could potentially provide scholarship funds for NWFSC first-generation in college students.

Certification of private contributions for FGMG is due on or before December 1, 2024.

Board Division

Board participation in the Annual Fund creates and reinforces a culture of giving that is not attainable by volunteering alone.
