Michael Johnson, Provost and Executive Vice President for Academic Affairs

Timothy Letzring, Senior Vice Provost for Academic Affairs

Summary of Key Observations/Recommendations

Since the approval of UCF's General Education Program at the June Board of Trustees' meeting, several minor edits from the Florida Department of Education and the Board of Governors.

The template (Attachment A) was updated to reflect these courses amendments. Those rows are highlighted in yellow in Attachment A and indicate the course was changed since the June meeting for one of the following reasons:

- a. Course description needed additional updates
- b. Removed as institutional GEP
- c. Moved to a different discipline
- d. Omitted two honors versions of GEP courses from the June template

Additional Background

The list of GEP Courses , as shown in Appendix B, has not changed since it was submitted at the June meeting but will be updated after these highlighted changes are approved.

Implementation Plan

Upon approval, UCF will submit this updated General Education Program template to the Articulation Office at the Florida Department of Education.
