## **Summary of Key Observations/Recommendations**

No reportable issues were identified during our work.

## **Additional Background**

As an annual requirement, University Audit has performed an audit of UCF's processes to ensure the completeness, accuracy, and timeliness of data submissions relating to Board of Governors performance funding metrics. Metrics are reviewed on a rotating basis to provide coverage of all metrics over a two-to-three-year period.

## **Implementation Plan**

The results of this audit are required to be accepted by the committee including any identified corrective action plans. After acceptance by the committee and subsequent review and approval by the full UCF Board of Trustees, the report shall be submitted to the Board of Governors Office of Inspector General and Director of Compliance no later than March 1, 2025.

## **Resource Considerations**

The cost to UCF is internal representing the hours required by University Audit and other departments to complete the audit and review the results.
