

Kentucky Community and Technical College System Board of Regents

Agenda Item: Kentucky Community and Technical College System (KCTCS) Maysville CTC Montgomery Campus Welding Lab Renovation interim approval.

Action Question: Recommend the Kentucky Community and Technical College (KCTCS) Board of Regents approve the Maysville Community and Technical College Montgomery Campus Welding Lab Renovation project with a scope of \$1,220,000.

Rationale: This project at Maysville Community and Technical College will renovate space for a new welding lab at the Montgomery Campus. The new lab will include 14 welding booths, with one being designed for ADA accessibility.

The current budget for this project is \$1,220,000. The source of funding will be \$976,000 in federal funds and \$244,000 in KCTCS agency funds.

Background: In accordance with KRS 164A.575, interim project authorization for a capital construction project with a scope greater than \$1,000,000 be approved by the KCTCS Board of Regents and reported to the Capital Projects and Bond Oversight Committee.
