

Kentucky Community and Technical College System Board of Regents

Update Agenda Item: Security Master Plan

Background: Facilities Support Services has been working to draft the Six Year Capital Plan to be submitted with the 2026-2028 Biennial Budget, providing special focus on the status of the security plans, procedures, and infrastructure across the KCTCS system. In order to keep the Board of Regents informed on the progress of this work, a presentation of the work done to date will be presented.
