Board Report Rochester Elementary EC1- March

Principal's Report:

- Read Across America Week brought excitement and fun to EC-1 during the first week of March. Students and Staff participated in a variety of themed dress up days and read books that corresponded.
- Our Instructional Coaches and School Psychologist

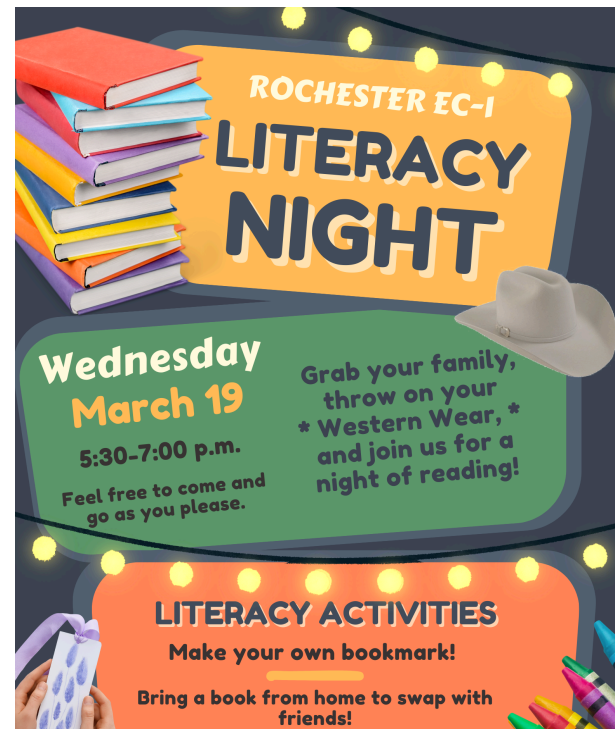

teamed up together to provide teachers with a "Lunch and Learn" for all things AIMSweb. We had 100% teacher participation during the 4 different sessions. These sessions provided teachers with information and tools to use with interpreting their data. Thank you to our coaches, Debbie Kramer and Ciera Harvill, and Dr. Sullivan for creating this

opportunity.
