INDEPENDENT AUDITOR'S REPORT

To the Board of Education
Rochester Community Unit School District #3A
Rochester, Illinois

Opinion

We have audited the accompanying general-purpose financial statements of Rochester Community Unit School District #3A (the District) as of and for the year ended June 30, 2024, and the notes to financial statements which collectively comprise the District's general-purpose financial statements. The general-purpose financial statements have been audited; however, they are not presented as part of this Annual Financial Report form. The general-purpose financial statements should be read in conjunction with the following auditor's opinion. Our opinion reads as follows:

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the basis for adverse opinion on accounting principles generally accepted in the United States of America paragraph, the financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Rochester Community Unit School District #3A as of June 30, 2024, or changes in net position for the year then ended.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Rochester Community Unit School District #3A, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Qualified Opinion on Regulatory Basis of Accounting

In our opinion, except for those possible effects of the matters discussed in the basis for qualified opinion section of our report, the general purpose financial statements referred to above present fairly, in all material respects, the assets, deferred outflows, liabilities and deferred inflows arising from cash transactions of the Rochester Community Unit School District #3A as of June 30, 2024, and its revenues received and expenditures disbursed during the fiscal year then ended on the basis of accounting described in Note 1.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 1, the financial statements are prepared by the District on the basis of the financial reporting provisions prescribed by the Illinois State Board of Education, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of the Illinois State Board of Education. They are intended to assure effective legislative and public oversight of school district financing and spending activities of accountable Illinois public school districts.

The effects on the financial statements of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Basis for Qualified Opinion on Regulatory Basis of Accounting

Rochester Community Unit School District #3A does not maintain detailed historical cost records of its general fixed assets. The amount by which this disclosure would affect the financial statements is not readily determinable.

Correction of an Error

The District adopted GASB Statement No. 100, *Accounting Changes and Error Corrections*. See Note 10 for more information on this. Our opinions are not modified with respect to this matter. We were not engaged to audit, review, or apply any procedures to the 2023 financial statements of the District other than with respect to the adjustments and, accordingly, we do not express an opinion or any other form of assurance on the 2023 financial statements as a whole.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the financial reporting provisions of the Illinois State Board of Education. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matters

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the District's general-purpose financial statements. The supplementary information, as listed in the table of contents, is presented for purposes of additional analysis and is not a required part of the general-purpose financial statements. The supplementary information, as listed in the table of contents, is the responsibility of management and was derived from and relate directly to the underlying accounting and other records used to prepare the general-purpose financial statements.

The information has been subjected to the auditing procedures applied in the audit of the general-purpose financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the general-purpose financial statements or to the general-purpose financial statements themselves and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information as listed in the table of contents is fairly stated, in all material respects, in relation to the general-purpose financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated February 28, 2025 on our consideration of the District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the District's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control over financial reporting and compliance.

Report on Other Legal and Regulatory Requirements

Our audit was made for the purpose of forming opinions on the general-purpose financial statements taken as a whole. The accompanying regulatory-based financial statements, as listed in the table of contents of this Annual Financial Report form, are presented for purposes of additional analysis and are not a required part of the general-purpose financial statements of the District. Such information is the responsibility of management and was derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. The information, except for the financial profile, estimated financial profile summary, schedule of ad valorem tax receipts, schedules of short-term and long-term debt, schedule if restricted local tax levies and selected revenue sources, schedule of tort immunity expenditures, schedule of capital outlay and depreciation, estimated operating expense per pupil, estimated indirect cost rate for federal programs, report on shared services or outsourcing, administrative cost worksheet, itemization schedules and deficit AFR summary information, which were not audited, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Purpose of this Report

This report is intended solely for the information and use of the Board of Education, Management of the District, and the Illinois State Board of Education and is not intended to be and should not be used by anyone other than these specified parties.

PART D - EXPLANATION OF ACCOUNTING PRACTICES FOR LATE MANDATED CATEGORICAL PAYMENTS

(For School Districts who report on an Accrual/Modified Accrual Accounting Basis only)

School districts that report on the accrual/modified accrual basis of accounting must identify where late mandated categorical payments (Acct Codes 3100, 3120, 3500, 3510, 3950) are recorded. Depending on the accounting procedure these amounts will be used to adjust the Direct Receipts/Revenues in calculation 1 and 2 of the Financial Profile Score.

In FY 2024, identify those late payments recorded as Intergovernmental Receivables, Other Receivables, or Deferred Revenue & Other Current Liabilities or Direct Receipts/Revenue. Payments should only be listed once.

24. Enter the date that the district used to accrue mandated categorical payments.

Date: _____

25. For the listed mandated categorical payments (Revenue Code (3100, 3120, 3500, 3510, 3950) that were vouchered prior to June 30, but not released until after year end as reported in ISBE Financial Reimbursement Information System (FRIS), enter the amounts that were accrued in the chart below.

Please do not remove and reinsert this tab from the workbook or paste into this tab. The AFR will be returned to the auditor if this tab is completed incorrectly.

This schedule is to calculate the amount allowed on contracts obligated by the school district for the Indirect Cost Rate calculation. The contracts should be only for purchase services and not for salary contracts. Do not include contracts for Capital Outlay (500) or Non-Capitalized Equipment (700) on this schedule. They are excluded from the Indirect Cost Rate calculation.

1. The contract must be coded to one of the combinations listed on the icon below.
2. The contract must meet the qualifications below on the "Subaward & Subcontract Guidance" and the "Indirect Cost Rate Plan" (Sub-agreement for Services).
3. Only list contracts that were paid over \$25,000 for the fiscal year.

Use the resources to the right to determine if the contract should be listed below.

Indirect Cost Rate Plan

Column A, B, C, D below must be completed for each contract. Enter Column B without hypens. Ex) 101000600

Column (E) and (F) are calculated automatically based on the information provided in Columns (A through D).

The amount in column (E) is the amount allowed on each contract in the Indirect Cost Rate calculation. The amount in column (F) is the amount that will be deducted from the base in the indirect cost rate (tab 41) for Program Year 2026.

1	DEFICIT ANNUAL FINANCIAL REPORT (AFR) SUMMARY INFORMATION Provisions per Illinois School Code, Section 17-1 (105 ILCS 5/17-1)					
2	<i>Instructions: If the Annual Financial Report (AFR) reflects that a Deficit Reduction Plan is required as calculated below, then the school district is to complete the Deficit Reduction Plan in the annual budget and submit the plan to Illinois State Board of Education (ISBE) within 30 days after accepting the audit report. This may require the FY2025 annual budget to be amended to include a Deficit Reduction Plan and narrative.</i>					
3	The "Deficit Reduction Plan" is developed using ISBE guidelines and is included in the School District Budget Form 50-36, beginning with page 22. A plan is required when the operating funds listed below result in direct revenues (cell F8) being less than direct expenditures (cell F9) by an amount equal to or greater than one-third (1/3) of the ending fund balance (cell F11). That is, if the ending fund balance is less than three times the deficit spending, the district must adopt and submit an original budget/amended budget with ISBE that provides a "deficit reduction plan" to balance the shortfall within the next three years.					
4	- If the FY 2025 school district budget already requires a Deficit Reduction Plan, and one was submitted, an updated (amended) budget is not required.					
5	- If the Annual Financial Report requires a deficit reduction plan even though the FY2025 budget does not, a completed deficit reduction plan is still required.
