# WEBSITE AUDIT

I am currently undertaking an audit of our website in an effort to clean it up and make it more navigable for users. So far, this has involved extensive work on the Board of Education section of the dropdown menu.

The updates/upgrades made include making all board meeting material more accessible, a new [board members page](#) complete with headshots, [updated meeting schedule page](#), and [public hearings page](#).

For those who are trying to find the board meeting agenda, packet, summary, and minutes all of them are now under a single section labeled as "[\*Board Meeting Materials.\*](#)"

This work is still ongoing and will take an extensive amount of time to improve and accomplish. However, as it's done it will make our website more user friendly and allow or families easier access to the important information that they're looking for.

Additional Special Board meetings may be held at any time as decided by the Board.

# IMPROVING OUR SCHOOL IMAGE

New signage is now in place for both EC-1, 2-3 campuses. It is also now in place for the warehouse and is a great asset to those visiting our campuses and/or making deliveries. A thank you to Ace Signs for working with us to enhance our schools.

# **MEDIA COVERAGE**

The background features abstract geometric shapes, primarily triangles, in shades of blue and orange. In the top left, there is a large blue triangle with a smaller orange triangle nested within it. In the bottom right, there is a large blue triangle with a smaller orange triangle nested within it. The text 'MEDIA COVERAGE' is positioned in the upper left quadrant, overlapping the blue triangle.
