Board Report Rochester Elementary EC1- December

Principal's Report:

- Our partnership with the JH continues to be a great program that fosters leadership within the classroom. This month the junior high students read a book to students and completed a craft project. It was an exciting time for all.
- In lieu of our traditional Kindergarten winter program this year we will be hosting a Kindergarten family event called "Holiday in the Halls". Please take a moment to look over the invitation and consider stopping by!
