To Whom It May Concern with the City of Princeton,
705 2nd St North, Princeton, MN 55371

I would like to offer 15k for the city lot on 6th Avenue in Princeton, MN. I know it's a long shot but I figured I would try anyways. I have never owned a house and I would like to buy my first house or, in this case, build a home. Home prices have risen to heights that I cannot afford. I appreciate you taking the time to take this offer into consideration.

Warm regards,
