I assist the Oregon Connections Conference planning committee with conference updates to this Interested Parties bcc list. If you wish to be removed from this bcc list, just let me know. PAM

The Oregon Connections Telecommunications Conference planning committee is pleased to announce the 2024 Conference theme is **Delivering Oregon's Connected Future**. The 2023 sold out conference concentrated on various aspects of broadband planning and now it's time to get ready to Deliver! Knowing that is half the battle.....and making an early reservation to book your room at the Sunriver resort for the 2024 OC Conference is a close second! 😊

We are thrilled to bring you the 2024 Oregon Connections Conference in the heart of Central Oregon and reservations are open now for your discounted Conference Rate. The growing exposure of the Conference and the draw of October's Central Oregon colors may fill our reservation block quicker than in the past. The larger venue will help, but we urge our many attendees traveling in from all over the Pacific Northwest to reserve their accommodations soon. We hope you enjoy yourself so much that you extend your stay to add some relaxing or adventure-filled days with your loved ones before or after the Conference taking place over Halloween.

Reserve today at [Sunriver Resort - Reservations - Oregon Connections Telecommunications](#)

1. If you or your company want to book a home/condo please do so through Sunriver Resort's [website](#) or by calling the reservations department directly at 855-420-8206. **The discounted Conference Room rates apply to the units in the two Lodge buildings at the Resort – and they're right down a lovely walking path from our conference rooms.**

2. Please let them know you're attending the Oregon Connections conference so that we get credit for the room booking.

We can't wait to share the growing list of Sponsors and Exhibitors for the event; we'd love to have your support, whether you're a longtime or a first-time sponsor. **Attendee, Sponsor, and Exhibitor registration links are live now at www.oregonconnections.info**

P.S. Do you have new team members or professional Listserv access? Feel free to forward this email + [OCC 2024 Link](#).

With appreciation for all the Connections we make, your OCC '24 Planning Crew
