

# VEX Robotics Worlds Championship Teams: TDHS Syntax Error and System Overload; TDMS Disconauts

The VEX World Championship is the world's largest robotics competition and will take place April 24 - May 3rd in Dallas, Texas. Financial support is appreciated greatly by the robotics program and Wasco County 4-H.

This year The Dalles is sending three teams.

- HS Senior team System Overload: Ian Castañeda, Colin Schecter, and Jack McAllister.
- HS Sophomore & Junior Team Syntax Error: Zach Banks, Everest Lenardson, Kim Morales, and Evelyn Schecter
- MS team Disconauts: Edgar Castañeda, Will McAllister, Kanin Nefzger, and Joren Torres

## What is VEX Robotics?

VEX Robotics is **educational robotics for everyone**. VEX solutions span all levels of both formal and informal education with accessible, scalable, and affordable solutions. Beyond science and engineering principles, VEX encourages creativity, teamwork, leadership, and problem solving among groups.
