  - i. Purchase of Service Report, FY 23-24
    - Currently working to close the fiscal year. The forecast is good.
    - Interest earnings have done well this year. With these funds, we were able to replace end of life copiers including our primary color printer.
    - POS not a lot to report as far as change.
    - Under budget by 40 million dollars
      - Reasons: Need of more providers  
Taking into consideration for three years things have not been running at full capacity.  
New programs coming for Social Rec
      - Funds returned will be redistributed to those regional centers that find themselves over budget
      - Even though we are returning funds, it is unlikely that this will affect our future allocations.

**11. Report from Executive Director, Melissa Gruhler**

- i. Rate Reform: Rate increase currently delayed until 2025.  
Advocacy groups have been successful in many areas so we  
are waiting to see how this will affect the State Legislators.  
Overall they are opposed to the delay and have  
presented this to the Governor which would move the  
implementation of the rate increase back to effective date of  
July 2024. The Providers have been waiting several years for  
this rate increase.
