Additional Notes:

3. New Integrated Sciences Building (includes Heald Demo) - Pullman	
2025-27	Design (new facility), Heald Demolition and site prep
2027-29	Construction (new facility)

9. WADDL Facility Replacement - Puyallup	
2025-27	Design
2027-29	Construction (including demo of existing facility)

	11. VCEA Phase II Study - Pullman	
2025	-27	Pre-design and planning
2027	-29	Design and enabling project necessary to empty Dana (e.g., Thermal Fluids)
2029	-31	Construction (Dana renovation)

14. McCoy Renovation	
2027-29	Pre-design
2029-31	Design (McCoy renovation)
2031-33	Construction (McCoy renovation)

15. Fulmer Complex Renovations	
2029-31	Design and construction (Fulmer Synthesis renovation)
2031-33	Construction (Fulmer Syn renovation) / Design (Fulmer renovation)
2033-35	Construction (Fulmer renovation)

17. New VCEA Engineering Lab Facility		
2031-33	Design (new facility)	
2033-35	Construction (new facility)	

18. Biomedical and Health Sc Building Ph II (Spokane)		
2027-29	Demo and prep site	
2029-31	Design	
2031-33	Construction	

20. Wegner Hall Renovation	
2031-33	Design (Wegner renovation)
2033-35	Construction (Wegner renovation)
