***APAC is pleased to report the following:***

- APAC concluded the fall semester with a presentation from Rob Crossler from the Carson College of Business. Rob spoke to the Ethical Use of AI and gave examples of ways we can use AI to increase efficiency and work tasks at WSU.
- For the January meeting on the 14th, we hosted the Chancellors from the WSU campuses. We heard presentations with specific information for each of the campuses and ways that APAC can engage with each population.
- WSU Leadership Meeting – We held our first meeting of the year with WSU Executive Leadership. We had thoughtful discussions on some of the challenges that AP employees are facing at WSU and ways we can help address them. We look forward to more forward progress and opportunities to make a difference at WSU.
