# Faculty Senate Report

January, 2025

## Campus Activity

### Everett Campus

Chair Klein and Chair Elect Roberts visited the Everett campus on November 14-15, 2024, to meet with individual faculty, staff, and administrators.

### WSU Extensions

Chair Klein visited the WSU Extension offices in Long Beach, WA on December 19, 2024. Chair Klein met with faculty and toured the research facility.

### Spokane Campus

The Spokane faculty ratified the bylaws for a faculty organization. Everett, Spokane, Vancouver, and Tri-Cities now have faculty organizations that represent campus-based faculty issues.

## Senate Activity

### Academic Rule 60

Temporarily extended the deadline for students to comply with AR60 concerning vaccination requirements. The Steering Committee has directed the Faculty Senate Executive Committee to develop and present an MOU to the President specifically identifying conditions to mitigate issues going forward and ensuring student are in compliance with the academic regulation.

### New Committees

Chair Elect Roberts has organized workgroups to finalize the charges for the Faculty Senate Compensation Committee and International Affairs Committee. It is the hope that these committees will serve in an advisory capacity for decision making on faculty compensation and the extension of WSU internationally.

### Presidential Search

Immediate Past Chair Shelden has been actively engaged in the Presidential Search Committee
