5) Color and Tone Concerns:

The properties and species of wood age and weather can greatly affect the resulting color or tone of the stain. Note: Variances may occur on individual boards as well as the total project, as densities and other characteristics vary across and throughout the wood. Red Line Pressure Heroes, LLC and its associates attempt to represent the final finish color and tones as best as possible. While we can often give you an idea of the overall color or tone you must expect some variance in the overall finish.

6) Courtesy:

While Red Line Pressure Heroes, LLC is on location and performing work on your property, you are responsible for keeping all children and pets, as well as other individuals away from the work area. Children and pets must be kept off the work surface for at least 24 hours after our work is completed. This is for your safety as well as our own.

7) Payments:

Payments to Red Line Pressure Heroes, LLC are due as per the contract schedule and are to be paid by check, cash, Venmo, or Zelle. All balances are ALWAYS due upon completion of the job. Any variance to this policy must be agreed upon and in writing on our contract. Late charges will be immediately assessed on all balances not paid in accordance with contract terms. 9) Removal & Replacement of Deck Contents:

Removal and replacement of grills, deck furniture, planters and any other items are the responsibility of the homeowner. Should we need to remove items from the deck, we will not be responsible for any damage, breakage or for storage issues. An additional charge may be applied for the time and labor devoted to the removal of these items.

10) Damages:

Red Line Pressure Heroes, LLC is not responsible for damages due to improperly installed siding, loose shingles or siding, broken or opened windows, improperly sealed windows and doors, wood rot, defective construction, improperly secured wires, loose or improperly installed gutters, and leaders and improper caulking. In every aluminum siding case and in some cases with vinyl siding, the sun and weather will bleach the color or cause fading. Power washing, which entails the removal of chalky, gritty, or failing surface materials may cause the faded aspects of the vinyl or aluminum to stand out. Red Line Pressure Heroes, LLC will not be responsible for such conditions. Red Line Pressure Heroes, LLC will not be responsible for loose mortar that may dislodge during the cleaning process.

11) Stains:

Some stains cannot be removed by power washing. Tree sap, artillery fungus, splatters from stains and paints are examples of materials that cannot be removed by conventional means. We make every attempt to point these areas out to the customer when quoting the project. Sometimes these stains cannot be removed at all.

12) Watertight:

Red Line Pressure Heroes, LLC Services expects your property to be in good repair and weathertight. This includes, but is not limited to all electrical services including receptacles and light fixtures. Doors and windows shall also be weathertight. Red Line Pressure Heroes, LLC Services is not responsible for damages as a result of water infiltration from poor or improper installation, maintenance, or repair of electrical-related items or doors or windows. Red Line Pressure Heroes, LLC cannot guarantee removal of artillery fungus from exterior house surfaces.

13) Window Spotting:

Windows may become water spotted as a result of our services. Window cleaning is NOT included.

14) Concrete:

The appearance of concrete depends on a number of factors most linked to when the concrete was initially poured and cured. When concrete with dirt, mold, mildew, algae and other pollutants and stains is cleaned, the concrete will then reveal any and all imperfections that the

pollutants and stains have covered up. The customer understands that not all concrete will look the same even on the same driveway, patio, sidewalk, or concrete slab.
