MINNESOTA STATE COLLEGE  
**SOUTHEAST**

**We believe college is for everyone.**

**We believe in meeting students where they are.**

**We believe every step toward educational success should be simple and achievable.**

**Mission:** Minnesota State College Southeast delivers exceptional transfer, career, and technical education that empowers learners and transforms lives.

**Vision:** Southeast is the destination for generations of learners who shape thriving, resilient communities.

**Core Beliefs:**

- **Access:** We believe college is for everyone and that each step towards educational success should be simple and achievable.
- **Learner-Centered:** We believe in meeting learners where they are and creating a welcoming and inclusive environment where all thrive.
- **Value:** We believe in offering flexible, high-quality, and affordable learning opportunities.
- **Innovation:** We believe in continuous improvement of our programs, services, and resources.
- **Community:** We believe in meeting the evolving needs of our community by building and sustaining strong, dynamic partnerships.

**Thank you!**
