CURRENT VISION

To be the premier institution of career preparation and comprehensive lifelong learning

CURRENT MISSION

Alexandria Technical & Community College creates opportunity for individuals and businesses through education, innovation, and leadership. The college's high-quality technical and transfer programs and services meet learner needs, interests, and abilities and strengthen the economic, social, and cultural life of Minnesota's communities.

CURRENT VALUES

WE ARE...

...passionate about creating a culture of excellence, innovation, and learning that challenges and empowers students and employees to achieve their highest potential.

...a learning community built on a proud legacy of career and technical education.

...committed to the social, intellectual, cultural, professional, and personal growth of all members of our community.

...partners with business, economic, governmental, and educational entities.

...providers of relevant career preparation, transfer pathways, and lifelong learning.

VISION

To be a national provider of professional technical and transfer education, inspiring unparalleled success for all students.

MISSION

Alexandria Technical & Community College fosters lifelong learning by offering high-quality education and training that support workforce development and civic engagement.
