General Elections will be held on November 8th from 7AM – 8PM in the Rec Hall.

PERSONNEL

My first day was October 7; the transition has been a good one, and I feel that I am settling in well. I was introduced, through Zoom, to those off island who work with the City.

I've been familiarizing myself with digital programs such as Onboard and the APEI training portal.

We've leased two housing units to staff.
