

FINANCE DIRECTOR REPORT

Reporting Period: December 2021

Prepared By: Stephanie Mandregan

In preparation for being audited by a new firm, we've begun the transfer of information from Aldrich Advisors to Altman Rogers. Our audit will begin on April 18th, having new people in almost every position in the department will be challenging, but I'm confident in our department's capabilities. Tia Melovidov is our new cashier and Emily Melovidov started at the end of November as our Accounts Payable clerk, training is yet again in full force and once they are ready we can start cross training..
