Mayor Jacob Merculief
City of St. Paul
PO Box 907
St. Paul, AK 99660

Dear Mayor Merculief:

As 2024 DOT&PF construction kicks off across the state, we're excited to share information about the projects in your community and offer resources to keep you informed throughout the season. We've been continuing to make improvements to our tools to increase communication and transparency to what you can expect to see this season. Community engagement is ongoing, and we encourage you to interact with these tools and connect with us.

We are excited to announce that we expect the following project to be active in your community this year:

- St. Paul Airport Visual Aid Replacement

Enclosed with this letter is a project information sheet with an overview of the project, including maps and contact information. We would also like to share some online resources that you may find helpful this season:

2024 Construction Website at dot.alaska.gov/construction: You will find an interactive map that allows you to explore road, airport, and harbor projects across the state. Zoom in and click on projects to see detailed information on project scopes, traffic impacts, contact information, funding sources, and links to more information.

Alaska 511: Find traffic impacts from road projects (along with road cameras, maintenance activities, and more) through the Alaska 511 system, which includes 511.alaska.gov, the 511 Alaska mobile app, and by phone at 5-1-1.

Please pass along these resources to anyone in your community who may be interested. We also welcome your questions and feedback. If you have questions about specific projects, please

"Keep Alaska Moving through service and infrastructure."

“Keep Alaska Moving through service and infrastructure.”
