

St. Paul Comprehensive Economic Development Strategy (CEDS) Community Survey Summary

updated October 24, 2023

Survey Process

- **Timing:** The St. Paul CEDS survey was open for approximately six weeks, from May 12, 2023 to June 26, 2023.
- **Promotion:** The survey was promoted via Facebook, radio announcements, distributed through community partner networks and distributed via hard copy at key locations such as the Store and the Tribal office. The survey was also available online via Survey Monkey.
- **Incentives:** Prizes included five vouchers for 50 gallons of heating fuel, five vouchers for 15 gallons of gasoline, and five \$100 gift cards to the Store.

Response Summary

We exceeded our goal of 50 survey responses, with 60 responses received, which is approximately 20% of the total population over 18 years of age on St. Paul.

- 37 residents responded online and 23 responded via hard copy.
- 41% of respondents identified as male and 59% identified as female.
- 40% of respondents were between the ages of 18-44 and 60% were 45 or older.
- Nearly everyone (93%) reported that they live on St. Paul Island year-round (10-12 months).
- The top sectors that employed respondents were tribal government (30%) and fishing (15%).

(community survey, 54 responses total; respondents could select more than one option)

Top Themes in Response to Question #16, What final questions or comments would you like to share?

(community survey, 25 responses total)

The final question in the survey asked respondents if they had any additional comments, questions, or concerns. Of the responses, 2 wrote “nothing to add,” or a similar response and 2 wrote appreciation for the opportunity to provide feedback. Most comments (13) restated themes that are already captured in previous response summaries above. Other themes that emerged in the final question include:

- Working together to overcome challenges.
 - “Work with each other to keep our community going for everyone living up here!”
 - “Help those less fortunate.”
 - “Make it affordable to live here – all entities work together.”
- Learning from each other.
 - “I’m going to share my cake decorating techniques with those interested in learning. I also want to teach crocheting. I want to learn from others about cooking our traditional foods. I feel hobbies are a good way to relieve stress and have something to do.”
- Focusing on short-term goals.
 - “I’d like to see the focus be on less long-term goals because I think if we don’t focus on current issues and help to make them better now, we will be in the same situation as St. George in a very short time.”
