CLERK

My last day as the City Clerk is October 7, 2022. I have been working on preparing for my departure for the last couple of weeks. I have left notes and worked with City Manager Zavadil to hopefully make it a smooth transition as possible. I will be available to help as much as I possibly can. It has been a pleasure working with each and every one of you throughout the last 5 years. Thank you for the opportunity to grow and learn from this position.
