### Project Description

Provide a project description to include how the project relates to the Action Plan and/or Sustainability Plan.

Goshen Economic Development will convene the Tri-County Healthcare Alliance to review the Action Plan established in 2018, and confirm that talent development, patient marketing/education, and care coordination are still priorities through surveys, focus groups, and local/regional meetings. Grant funding will be used to facilitate regular meetings and communication with the Alliance to monitor progress toward meeting the objectives. The convener will consult with the Wyoming Workforce Development Council, Wyoming Next Gen Coach and utilize the Next Gen Toolkit and best practices.

➤ See attached Action Plan and Project Description.

## Next Gen Support Grant

### Budget Narrative

Goshen Economic Development has committed to support the Tri-County Healthcare Alliance by contracting with a consultant to provide outreach to industry partners and community support organizations, and facilitate meetings to prioritize the objectives, determine action plans, and support the implementation efforts through obtaining resources and reporting on progress for sustainability.

The Next Gen Support Grant will be used for consulting services. Goshen Economic Development will match the grant request with \$1,500 in-kind services:

- Personnel: \$500. Staff to assist with surveys and email communication.
- Supplies: \$500. Includes meeting supplies and copies.
- Travel: \$500. Mileage reimbursement at the IRS allowable rate for travel to 3 meetings in Lusk, 3 meetings in Wheatland, and 2 meetings in Guernsey.
