Increase your awareness and knowledge of regulatory healthcare issues and solutions

Forum 2024
Volume 39
Federation of State Boards of Physical Therapy

We hope you find this compilation of all the FSBPT Forum articles that we posted in 2024 to be helpful and informative. If you have any questions, comments, or ideas, please [reach out to us](#).

President's Perspective: Artificial Intelligence Use at FSBPT

David Relling

Administrative Staff Corner: Connecting, Learning, and Informing

Michelle Sigmund-Gaines, Director, Oregon Board of Physical Therapy; Director on the FSBPT Board of Directors

Safe Haven Programs

FSBPT Member Boards have been championing a new way of addressing mental health and substance use issues among industry professionals—safe haven programs. This article is based on a 2023 Annual Education Meeting presentation by Missy Anthony, Timothy Keck, and Katie Stuart.

Moving from Discussion to Action: How to Win (Friends) Data and Influence (People) Policy

Regulators are poised to champion health workforce data collection and informed policy and can leverage the new Cross-Profession Minimum Data Set to do so. This article is based on a 2023 Annual Education Meeting presentation by Hannah Maxey.

You Are My Sunshine: FSBPT's Membership Survey Results

The 2023 membership survey, conducted by FSBPT, aimed to measure member satisfaction, assess the importance of services, and identify member needs to inform strategic direction. This article is based on a 2023 Annual Education Meeting presentation by Missy Anthony and Carl Fusco.

Authorized to Practice? Let's Show It on Our Licensure Lookup Page!

Including compact privilege information in a jurisdiction's license lookup website can positively impact public safety and increase transparency and ease for stakeholders. This article is based on a 2024 webinar presented by Missy Anthony, Kathy Arney, and Charlotte Martin.

AI and the NPTE: Using State-of-the-Art Tools to Advance Assessment

As the proliferation of artificial intelligence (AI) and expert systems has continued from the experimentation phase to individuals' desktops, FSBPT has integrated some of these tools into the NPTE development process. This article is based on a presentation by Teresa Briedwell, Marcia Himes, Sara Maher, Anissa Davis, and Lorin Mueller at the 2024 Annual Education Meeting.

This Could NEVER Happen to Me! Protecting Yourself and Preventing Sexual Misconduct

Learn about maintaining professional boundaries, understanding the consequences of misconduct, and discovering how you can contribute to a safer, more ethical healthcare environment. This article is based on a 2024 webinar presentation by Mira Mariano, Samantha Mohn-Johnsen, and Sherri Paru.
