RELATIONSHIP TO THE STRATEGIC PLAN:

Transform Our Own Workforce Experience

EXPLANATION:

Board Policy (BP) 3-16 describes the Board's role in appointing and evaluating the CCCS Chancellor. This policy is under review as part of our ongoing review of policies and procedures. Content specific to the terms and conditions of the contract for Chancellor were removed from the policy as those are at the discretion of the Board at the time of contracting. After review with the Board Chair, the remaining revisions include updates to language and do not represent substantive changes to the policy.

The attached BP 3-16 reflects the recommended revisions for the policy. A redline version showing the details of all revisions is available upon request.

The attached job description is for Board information only.

RECOMMENDATION:

CCCS CHRO recommends the Board approve the BP 3-16 revision.
