Re: Nomination for College Advisory Council

Members of the SBCCOE –

The purpose of this letter is to request the nomination acceptance of Joel M. Boyd to serve an initial term on the Community College of Aurora Advisory Council. Mr. Boyd's first term would begin effective March 1, 2022 and conclude February 28, 2026.

As the Community College of Aurora seeks to advance our market penetration, brand strength, and academic excellence, Joel has extensive experience as an operations and marketing executive.

Currently, Mr. Boyd serves at the general manager of Washington Prime Group which oversees the one million square foot shopping center in Aurora, Colorado known as Town Center at Aurora. In addition, he serves the community in several capacities that will prove beneficial in the advancement of CCA's institutional mission.

Once again, thank you for your consideration.
