

STATE BOARD FOR COMMUNITY COLLEGES AND OCCUPATIONAL EDUCATION

September 13, 2023

TOPIC: Board Policy 2-15, Presidents' Council

PRESENTED BY:

Angela Gramse, General Counsel

RELATIONSHIP TO THE STRATEGIC PLAN:

Transform the student experience; Create education without barriers through transformational partnerships; Redefine our value proposition through accessibility, affordability, quality, accountability, resource development, and operational excellence.

EXPLANATION:

The System has reviewed Board Policy (BP) 2-15 as part of its five-year review cycle. This policy was initially created in 2004 and has been left untouched ever since. General Counsel is recommending a repeal of this policy for a couple of reasons. First, the substantive language is outdated and does not accurately reflect the purpose of the current Presidents' Council meetings. Second, the Board delegates to the Chancellor personnel authority to manage the Presidents. To ensure all policies and procedures align with the governance structure between Board, Chancellor, and College Presidents, repealing this policy will help to ensure the authoritative lines are clear.

RECOMMENDATION:

CCCS General Counsel recommends the Board repeal BP 2-15.
