TOPIC: Colorado Online Summer 2025 Pooled Section Common Course Material Fees Changes

PRESENTED BY: Mark Superka, Vice Chancellor, Finance and Administration

RELATIONSHIP TO THE “TRANSFORMING FUTURES” STRATEGIC PLAN:

- Power of 13

EXPLANATION:

With the transition to Colorado Online, common course materials and fees are necessary for pooled sections that may have students from any of the System colleges. The Academic Departments across the System including State Discipline Chairs, Department Chairs and faculty select the course materials to be used in the Colorado Online pooled sections for their discipline. During the final transition period this fiscal year, there have been some course materials fees identified that require changes.

For the summer 2025 term, we are submitting the student fees for two pooled Colorado Online sections that change materials for Board approval. Table 4 below outlines the new fees for Colorado Online@ pooled sections for the summer 2025 term.

RECOMMENDATION:

Staff recommends the Board approve the fees listed in Table 4.
