FINANCE COMMITTEE

Item H.3 **University of Louisiana System's** recommendation to approve Campus Housing and Meal Plan Rates, Auxiliary Rates, Energy Surcharge, and Non-Governmental Charges for Academic Year 2025-26.

EXECUTIVE SUMMARY

The nine universities request approval to establish Campus Housing and Meal Plan Rates, Auxiliary Rates, Energy Surcharge, and Non-Governmental Charges as per the attached schedules. As has been past practice, System staff requested that campuses submit adjustments to their service rates for the upcoming academic year. Campuses consider a number of variables when considering adjustments to rates including contractual obligations, cost of operations, and/or market limitations. Campuses submitted their rates for Academic Year 2025-26 based upon their respective service offerings; therefore, campus offerings and rates vary accordingly.
