

# Opening Prayer

Dear Lord,

We come before You in this board meeting, acknowledging Your sovereignty over all things.

We humbly seek Your guidance as we deliberate on matters of great importance for this organization.

Grant us the wisdom to make sound decisions that reflect Your values and principles.

May our discussions be marked by respect and understanding, working collectively for the greater good.

Bless the leadership and direction of this board as we strive to fulfill our responsibilities with integrity.

In Jesus' name, we pray.

Amen.
