

HCC Volunteer Report

January 1, 2024 through December 31, 2024

In 2024, Hagerstown Community College hosted 506 volunteers on campus. This number includes 131 adult volunteers and 375 student volunteers. The volunteer hours presented are hours that were submitted to the College Advancement office for documentation. The College Advancement office works diligently to collect all volunteer hours on campus, however, we are aware that there are volunteers on campus that fail to report their hours. To address this concern, the College Advancement office has increased communications about volunteer services on campus by bringing awareness to the volunteer request form and the volunteer hour submission form.

Since the College began tracking hours in 2006, there have been 150,467 recorded hours of volunteer service given to HCC. This time has a value (based on the yearly calculated amount given by the Independent Sector of the worth of a volunteer's hour) of \$3,805,663.42 given to HCC.

Volunteer Service from 2006-2024:

The Independent Sector estimates the current value of an hour of volunteer time in dollars at \$33.49 per hour. (as of February 7, 2025)

Regular Volunteers

At present, HCC has a total of 131 active regular volunteers. These include Trustees, Alumni & Foundation Board members, Alumni Association members, community volunteers, and athletic volunteers.

Student Volunteers

Each student that receives a scholarship is required to volunteer for one volunteer opportunity at the College. This year we had 375 students that collectively volunteered for 3,445 hours doing projects to assist HCC. In 2024, student volunteers helped with College events and programs including the HCC Foundation Tribute, Alumni Flower & Garden Show, Earth Day, Day of Caring, College for Kids, MSO Kinder Konzerts, CBES events, Hawktoberfest 5K Run/Walk, Athletic Hall of Fame Dinner, Amphitheater concerts, Care Cupboard, athletic events, Career

Expo, Kepler Theater events, and Brish Library scanning projects. Students regularly share that they've enjoyed their time volunteering at various events on campus.

Volunteer Perks

In 2024, adult volunteers were invited to two appreciation events on campus. These appreciation events included the annual Alumni & Friends picnic and the annual Holiday Luncheon. Both events were well attended and the verbal feedback received was positive after both events.

Goals

The College Advancement office continues to work on finding a manageable solution to unreported volunteer hours and will continue to steward our volunteers through regular communication and stewardship events.
