**FROM:** BG Dallas B. Clark

**SUBJECT:** VMI and Carilion MOU for Mental Health Services

The Virginia code requires VMI to establish a written Memorandum of Understanding (MOU) with local hospitals and mental health facilities to expand the scope of services available to VMI cadets. VMI and Carilion updated the MOU in July 2024.

The specifics of the MOU are required to (1) designate point of contacts between VMI and Carilion, (2) requires VMI's involvement in any post-discharge planning, (3) procedures and limitations on sharing of health information, and (4) establishes the term of the MOU.

This version of the MOU reflects the initiatives and efforts of leadership at VMI and Carilion who share a mutual interest in providing highest mental health care services.
