Explanation of Changes -provide a brief summary

MUSI-3112 Instrumental Conducting was inadvertently left out of the recent program modification completed for the BMEd Instrumental major while MUSI-4112 Instrumental Arranging was added as a new required course. Replacing MUSI-4112 with MUSI-3112 will allow for the major hours to remain at 52.

Justification for program requirement changes -provide a brief summary

Instrumental Conducting has been a required course for the major and should have been included. Instrumental Arranging had not previously been a required course for the major.
