

**RICHARD BLAND COLLEGE
APPROVAL OF
FY 2025 - 2026 TUITION AND FEES**

The following Tuition and Fees are recommended by the administration to meet the 2025-2026 funding requirements for academic programs, student support services, and auxiliary services. This represents a pricing strategy that is intended to optimize affordability and educational excellence for students' funding and, simultaneously, enables the College to continue to advance its mission strategic plan goals.

The proposed FY26 in-state tuition and mandatory E&G fees per credit hour rate of \$231 represents a 2.5% increase to the current FY25 tuition rate, and a 3.0% increase to the current FY25 Mandatory E&G Fees. Even with this increase, Richard Bland College's tuition and fee rates remain among the lowest in the Commonwealth. To align out of state tuition with actual costs, the proposed out of state tuition and mandatory E&G fees per credit hour rate is \$442, which represents a 5.0% out of state tuition increase.

For FY26, it is recommended that mandatory auxiliary comprehensive fees for in-state and out-of-state students increase by 3.0% to a per-credit hour rate of \$80.

For FY26, the proposed pricing for all residential rooms and food plans remains the same as in FY25.

A proposed FY26 tuition and fee summary sheet is attached.

RBC's goal remains to deliver students high quality educational programming, high-value university pathways, and an innovative educational model at an affordable price.
