William & Mary won 10 games all of last season. Tonight, they had over 1,000 students at a game and an AWESOME atmosphere. Brian Earl has changed the program. Their style is FUN. Tribe is 14-9 + 8-2 in CAA.

This is what college basketball is about: bringing a campus together!!!

Committee on the Student Experience Discussion

Student Experience

1. How can W&M Athletics help the university achieve national preeminence?
2. How can W&M Athletics enhance the university's ability to attract and retain the best and the brightest in the nation?
3. How must W&M Athletics evolve to compete and win in this ever-changing environment?
4. How might we improve core elements of the student experience outside of the classroom?
5. How might we better understand current student sentiment to determine if their actual experience matches the experience we promise?
6. How might we address gaps in the current student experience to better live up to the experience we promise?
