Be it Enacted by the Senate and House of Representatives in General Court convened:

1 364:1 Office of Professional Licensure and Certification; Definitions; Establishment. RSA 310:2, I is
2 repealed and reenacted to read as follows:

3 I. In this chapter, and as appropriate when used in any chapter listed in paragraph II:

4 (a) "Board" shall mean a board, council, commission, committee, or other regulatory body
5 with jurisdiction over professions listed in paragraph II.

6 (b) "Expire" shall mean a license has not been renewed within the term of the license from
7 the date of issuance in accordance with RSA 310:8. An individual with an expired license may not
8 practice until their license has been reinstated, or they have applied for and received a new license to
9 practice.

10 (c) "Investigation" shall mean investigation of allegations and complaints of misconduct in
11 accordance with RSA 310:9.

12 (d) "Good standing" as applied to licensure shall mean a license that is active and has not
13 been suspended, revoked, surrendered, conditioned, or restricted in any way.

14 (e) "Lapse" when referring to licenses shall mean a license that has been expired for one or
15 more years. A licensee may no longer reinstate a lapsed license and must apply for a new license.

16 (f) "License" shall have the same meaning as license under RSA 541-A:1, XIII, and include
17 licenses, certifications, or registrations required to practice a regulated profession, and shall include
18 apprentice registrations, or those licensed pursuant to RSA 332-G:14.

19 (g) "Office" or "OPLC" shall mean the office of professional licensure and certification.

20 (h) "Reinstate" means reactivation of a license for an individual whose license has expired,
21 and has not yet lapsed, or the reactivation of a license to an individual who was unable to practice
22 because of license revocation.

23 (i) "Renewal" shall mean the continuation of an existing license in accordance with RSA
24 310:8.

25 364:2 Establishment of Fees. Amend RSA 310:5, I to read as follows:

26 I. The executive director of the office of professional licensure and certification shall establish and
27 collect all license~~[-, certification, and -]~~, renewal, **and reinstatement** fees, as well as any necessary

- Page 2 -

1 Such fees shall be sufficient to produce estimated revenues up to 125 percent of the total operating
2 expenses for the office, as determined by averaging the operating expenses for the office for the previous
3 2 fiscal years. *If the office denies the issuance of a license, renewal, or reinstatement to any applicant,*
4 *any fee shall be retained as an application fee. A licensee possessing a license in good standing may, if*
5 *to the best of the licensee's knowledge the licensee is not the subject of an ongoing investigation or*
6 *disciplinary action, surrender their license and receive a pro-rated refund in accordance with rules*
7 *adopted by the office pursuant to RSA 541-A.*

8 364:3 License Renewals; Lapse. RSA 310:8 is repealed and reenacted to read as follows:

9 310:8 License Renewals and Reinstatements; Expiration and Lapse.

10 I. The executive director of the office of professional licensure and certification shall issue
11 licenses, as set forth in RSA 310:4, to applicants meeting the eligibility requirements as defined in statute,
12 and rules adopted by each individual board.

13 II. Licenses issued by the office shall be valid for 2 years from the date of issuance except for
14 those apprentices licensed for one year in accordance with rules adopted pursuant to RSA 541-A. The
15 validity of issued licenses shall be in accordance with RSA 541-A:30 and subject to restrictions imposed
16 through disciplinary and non-disciplinary remedial proceedings. The licensing terms established in this
17 section shall supersede any conflicting terms established in a statute administered by a board listed in
18 RSA 310:2.

19 III. Applicants shall submit completed applications for renewal, the renewal fee, and any
20 supporting documents required for renewal on or before the expiration of the license. Licenses shall
21 expire when completed renewal applications, renewal fee, and supporting documents have not been filed
22 by the expiration of the license and the holders of an expired license are not authorized to practice until
23 the licenses have been reinstated. Expired licenses shall lapse one year from expiration. Holders of
24 expired licenses shall not be able to renew, but shall be eligible to reinstate licenses by submitting an
25 application and meeting the eligibility requirements as defined in statute, and rules adopted by each
26 individual board.

27 IV. The office of professional licensure and certification shall provide licensees notice of the need
28 to complete their renewal applications at least 2 months before the date of expiration of their license.
29 Failure to receive notice shall not relieve any licensee of the obligation to renew their license, comply with
30 the rules of the office, the rules of the board, or this section. Timeliness of submission of renewal
31 applications shall be evidenced by the date stamp of receipt, or for applications submitted electronically
32 the electronic time stamp of submission.

33 V. Upon the request of a licensee who is a member of any reserve component of the armed
34 forces of the United States or the national guard and is called to active duty, the office of professional
35 licensure and certification shall place the person's license on inactive status. The license may be
36 reactivated within one year of the licensee's release from active status by payment of the renewal fee and
37 with proof of completion of the most current continuing education requirement unless still within the
38 renewal period.
