1 Meraki MS225-48LP Switches with 5 Years Licenses

Cisco Meraki MS225-48LP	MS225-48LP-HW	Yes	\$7,970.46	57.07%	1	\$3,421.71	\$3,421.71
-------------------------	---------------	-----	------------	--------	---	------------	------------

Cloud Managed Switch - 48 x 10/100/1000 (PoE+) + 4 x 10 Gigabit SFP+ (uplink) PoE+ (370W)- managed - rack-mountable

Note: The Cisco Meraki MS225 series switches provide layer 2 access switching and are ideal for deploying to branch locations. With stacking capabilities and 10G SFP+ uplinks on every model, performance is guaranteed. This family also supports an optional, rack-mountable remote PSU (Cisco RPS-2300*) for power redundancy requirements.

With 5 different models, capable of providing up to 740W of PoE+ power over a variety of port densities, including SFP+ capable uplinks, the MS225 line is fully ready to support future wireless infrastructure deployments across a variety of environments.

Features:

- Managed via Cisco Meraki Dashboard
- Remote Packet Capture Tools via Meraki Dashboard
- Automatic Firmware upgrades
- SNMP/Syslog Integration
- IPv4/6 ACL support
- 802.1q VLAN tagging
- Static routing
- 2x Dedicated Stack Ports providing 80G of Stacking bandwidth
- Broadcast Storm Control
- Dynamic ARP Inspection / DHCP Snooping
- 802.1X Authentication
- 10/100/1000 Mbps RJ45
- 4x 1000/10000 Mbps SFP+
- PoE and PoE+ models available for device level powering

Cisco Meraki Enterprise Subscription license for MS225-48LP	LIC-MS225-48LP-5YR	No	\$1,930.73	57.07%	1	\$828.86	\$828.86

Access Switch Provisioning Setup with Consultation, 1 Unit

Note: Engineering and remote professional services to set up (1) new or migrate an existing Network Access Switch to a New Access Switch onsite or cloud-based systems. The services will include recommendations of best practices and any standard functions available with the associated license for the switch, firmware updates, any applicable license activations, basic performance testing, and configuration backup. The customer will provide access to the existing system along with the design requirements 30 days before the scheduled go-live date. This service will include a 30-minute remote consultation meeting with the customer's IT representative to plan and review the configuration a week in advance. The scope does not include network optimization, network design changes, NAC integration, alert configurations, High-availability clusters, 3rd party application integrations, advanced analytics systems, training services, or Visio-type network documentation. Unless the contract

specifically states otherwise, the service hours for our company are from Monday through Friday, 8:00 AM to 5:00 PM PST, and exclude public holidays.

Network Systems Services	ITMCX-SOS- NETINS-NS48	No	\$572.00	40.00%	1	\$343.20	\$343.20
Switch/Router Installation Patch up to 48 Ports & Connect to Stack, 1 Unit							
<p>Note: Onsite installation of (1) Network Switch up to 48 ports. The technician will install, patch, stack, uplink, and label a preconfigured Network Switch (Access, Core, or Aggregator) onsite and test using the existing cabling infrastructure. The Network Switch will be installed based on the manufacturer's recommendations and be patched for up to feasible capacity. The services will not include alert configurations, monitoring services, or 3rd party application integration, firmware updates, or configuration changes. The technician will dismount any existing Network Switch equipment installed at the location and mount the new unit on the existing rack if available. The location must be up to par with the standards of the network equipment installation environment. Fiber and Copper patch cables and mounting brackets are not included. **Electrical power must be located within 4' of the network Switch install location. The customer will provide the location of each IDF/MDF in a map format along with any specific instructions 14 days before the scheduled onsite services. The customer will provide keys and access on the day of service. This is a service only & no hardware is provided. Unless the contract specifically states otherwise, the service hours for our company are from Monday through Friday, 8:00 AM to 5:00 PM PST, and exclude public holidays.</p>							
IT Services	ITMCX-SFLX- TECHSVR-PM1	No	\$194.00	14.95%	0.5	\$165.00	\$82.50
Project Management - Hourly Service							
<p>Note: Remote or Onsite Project Management - The services are applicable to general IT infrastructure solutions for one hour of service combined with any other ITM services or as a Standalone service. The service will provide high-level project services: Creating project objectives, Building Project Requirements, Defining, and Managing Project Scope, Communicating with Clients, and overseeing costs and project time. Holds one or more Project Management certifications. PMP, Project Plus, Six Sigma, and or five years of experience.</p>

W9.ITMGMT.com

Delivery:

- Hardware/Software will be shipped ground unless otherwise specified by Customer.
- Freight on Board (FOB) Origin- IT Management Corp. (IT MGMT) shall, in its best efforts, deliver products and services in a timely manner to Customer.
- For third-party vendor orders, IT MGMT is limited to the delivery schedule and inventory availability by the vendor, and as such, IT MGMT shall not be held responsible for delays in shipping to customer.

No-Hire Provision:

- During the Project and for a period of one year after the completion or termination of the Project, Client will not directly or indirectly solicit, employ or retain in any capacity, or directly or indirectly offer to employ or retain in any capacity, any personnel of Consultant who are working or have worked on the Project.

Confidentiality:

- Customer agrees to treat all Confidential Information as confidential information of IT MGMT, both during and after the term of this engagement.
- Confidential Information means all information and material to which Customer has access in connection with this purchase order including, but not limited to, IT MGMT documentation, financials, marketing, sales, estimates of work, and quotations. Customer agrees to use the Confidential Information received under this quotation solely for the purposes of performing its obligations under this quotation. Customer will not disclose or make Confidential Information available to any third party, except as specifically authorized by IT MGMT in writing.

Contract Administration Fees:

*Multiple Award Schedule contracts fees and Industrial Funding Fee (IFF) payments is a critical component of contract compliance and contract maintenance. Government agencies prefer to procure through the MAS programs such as CMAS, GSA, PPEPM and others incur the IFF because of the resulting benefits, particularly compared to the cost of the customer staff time needed to award a new procurement. The Industrial Funding Fee is a fee to cover the cost of operating the Federal Supply Schedules (FSS)

or other programs. This fee is a fixed percentage of reported sales the Schedule contracts that is paid quarterly by contractors. Each MSA Program fee varies depending on the IFF scheduled published by the authoritative entity.
