RE: Submission of Legal Survey for Dine College Crownpoint Center Parcel

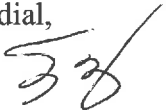

Superintendent Tsosie;

The following letter is in reference to the conditions and requirements of the Temporary Land Use Permit that was issued to Dine College. Per the issuance of the permit to us, a condition of redoing the survey of the permit boundary was needing to be done. In attempting to get this done and meet the timeframe we requested an extension, which was granted by you.

At this time, we have completed the survey of the permit boundary legal survey and attached it to this letter as a digital copy. We thank you for working with us to be able to meet the condition imposed and look forward to continuing an open communication.

Any questions you may have concerning the legal survey can be brought to my attention, thank you.

Cordial,

Tyrone J Begay, Center Manager
