

Discussion needed relevant to adding the California Acupuncture Licensing Exam as an equivalent to the NCCAOM exam.

This is what the law says as of 2022:

**328-G:9 Licensure Required; Renewal; Reissuance; Continuing Education.**

(b) Has current, active NCCAOM certification, or prior NCCAOM certification with documentation of continuing education pursuant to paragraph X of this section, or equivalent certification approved by the board through examination or Credentials Documentation Review.
