

EXECUTIVE SUMMARY

Recommendation that the Broward College District Board of Trustees authorize the standard agreement (purchase order) with the Council of Supply Chain Management Professionals (CSCMP) for membership and renewal dues for FY2024-2025.

Fiscal Impact: \$705.00, Cumulative amount: \$0.00, Revenue: \$0.00

Presenter(s): Jeffrey Guild, Vice Provost of Academic Affairs

1. Describe the purpose of this purchase of goods, services, information technology, construction, or use of space. Partnership with CSCMP allows Broward College to remain closely aligned with the premier supply chain management industry group, elevating the status of our program within the industry and better positioning our graduates for the best employment opportunities. We also have access to discounted rates for these highly sought-after industry certifications, lowering the cost to students. Membership allows access to Academic Case Studies, Practitioner Case Studies, and exclusive pricing on CSCMP events.

2. Describe the competitive solicitation method used or, if none, the exemption relied on for bid waiver. Small purchase for Category One (\$0.00 - \$10,000) per College Procedure A6Hx2-6.34 was used, where there are no formal or informal competitive requirements for goods and services acquired by the College at this dollar threshold. Membership dues, per the Florida Statute 119.01(3) requires that all financial, business and membership records held by the organization in relation to the individual(s) or organization(s) for whom a purchase order is being issued are to be considered public records and shall be subject to the provisions of Florida Statute 119.07.

3. Describe business rationale for the purchase and how it was procured.

(A) What is the benefit of the purchase. If there is an ROI, describe the ROI and how calculated. Not Applicable

(B) How does the purchase support the Strategic Business Plan. Synergize - Increase non-traditional revenue.

(C) If applicable, what is the rationale for the use of piggybacks, existing contract extensions, bid waivers in lieu of the College conducting a competitive solicitation. Not Applicable

(D) If a competitive solicitation process was conducted by the College, describe the process. Not Applicable
