This yearly subscription provides the college with technical support and upgrades from Ellucian.

What procurement process or bid waiver was used and why? The College used the exemption provided for the IT Bid Waiver in accordance with the Florida Administrative Code (FLDOE 6A-14.0734(2)(g) and College Procedure A6Hx2-6.34 which cites the following exception to the requirement to solicit competitive offers:

"Information technology resources defined as all forms of technology used to create, process, store, transmit, exchange and use information in various forms of voice, video and data, and shall also include the personnel costs and contracts that provide direct information technology support consistent with each individual college's information technology plan."

Is this a budgeted expenditure from the budget established at the last June Board of Trustees meeting?

Yes.

What fund, cost center and line item(s) were used? The fund used is FD100. The cost center used is CC0086, line item GLC64500.

Has Broward College used this vendor before for these products or services? Yes.

Was the product or service acceptable in the past? Yes.

Was there a return on investment anticipated when entering this contract? No. This solution is required to maintain our international student records. There is no direct return on investment and it is an expense to the college to maintain compliance with the Department of Homeland Security.

Was that return on investment not met, met, or exceeded and how? Not applicable.

Does this directly or indirectly feed one of the Social Enterprise tactics and how? Not applicable.

Description: \$36,982.00 previously approved via MT12003 for Ellucian Support Inc. (cumulative \$348,606.00). This is an amendment to change the entity name.
