Good afternoon,

I authorize a one-time waiver of our standard insurance requirements for FedEx at your request. This waiver covers class/event dates through June 30, 2025. As you know, waiving insurance requirements is not a decision we make lightly. The college is best protected through a combination of insurance covering us directly, insurance required of third parties, and other means of risk transfer and safety practices. Waiving our standard insurance requirements for third parties creates greater exposure to the college, however, we also recognize that this is sometimes a business decision a department within the college wishes to make. While we agree that the risks presented by this vendor are low, the potential for an uninsured loss still exists. In the event of an uninsured loss, that otherwise would have been covered by this vendor's insurance, your department may be called on financially to resolve the matter.

You may attach this email to Workday or MinuteTraq in place of proof of insurance in order to document this waiver.

Best regards,

Subject: MT Item 12409

Hi Mario,

I hope all is well. I was just wondering if you can provide some insight into my MT (12409) item for FedEx. We've had an account with them for over a decade. But, with new requirements for a Purchase Order; I wanted to make sure I don't need a COI for simply picking up and dropping off items to Material Services. Please advise, thanks.

FedEx Express Multiweight® rates: U.S. export

Use these rates when shipping outbound from the U.S. These per-pound rates may apply if the total shipment weighs 100 lbs. or more. Multiply the rate by total shipment weight. When multiweight rates apply, fees may be assessed one time per shipment.

Puerto Rico

FedEx multiple-piece shipments may receive a rate on a total-shipment-weight basis if the total shipment weighs 100 lbs. or more. A 15-lb. average minimum package weight for the shipment applies. Multiply the per-pound rate by total shipment weight. You are billed the lower of the FedEx Express Multiweight shipment rate or the sum of the individual prices per package.

25. Applicability of FedEx Express Service Guide. For Customers utilizing the "Special Brokerage Processing" service, to the extent there is a conflict between these terms and conditions and the FedEx Express Service Guide, the Service Guide shall be controlling.

FedEx Logistics, Inc. has a policy against payment, solicitation, or receipt of any rebate, directly or indirectly, which would be unlawful under the United States Shipping Act, as amended. Importer must furnish missing documents within the period of time as required by Customs regulations to avoid Customs penalties.

If you are an importer of record, payment to the broker will not relieve you of the liability for Customs charges in the event the charges are not paid by the broker. Therefore, if you pay by check, Customs charges may be paid with a separate check payable to the "U.S. Customs and Border Protection". This option, if elected, requires prior arrangement with the broker.
