

## EXECUTIVE SUMMARY

**Recommendation that the Broward College District Board of Trustees authorize a standard agreement (purchase order) with American Physical Therapy Association (APTA) for membership dues and renewal for the Physical Therapist Program for FY2024-2025. Fiscal Impact: \$540.00**

**Presenter(s):** Jeffrey Guild,

**What is the purpose of this contract and why is it needed?** The purpose of the membership with the American Physical Therapy Association (APTA) is to provide physical therapists, physical therapist assistants, and students in the field with support, resources, education, networking opportunities, advocacy, and professional development. APTA membership offers access to tools for career advancement, continuing education, best practices in physical therapy, and a community of peers to collaborate with and learn from.

**What procurement process or bid waiver was used and why?** Small purchase for Category One (\$0.00 - \$10,000) per College Procedure A6Hx2-6.34 was used, where there are no formal or informal competitive requirements for goods and services acquired by the College at this dollar threshold. Membership dues, per the Florida Statute 119.01(3) requires that all financial, business and membership records held by the organization in relation to the individual(s) or organization(s) for whom a purchase order is being issued are to be considered public records and shall be subject to the provisions of Florida Statute 119.07.

**Is this a budgeted expenditure from the budget established at the last June Board of Trustees meeting?** Yes.

**What fund, cost center and line item(s) were used?** FD100, CC0146, GLC: 64502: Inst Memberships and Sponsorships.

**Has Broward College used this vendor before for these products or services?** Yes.

**Was the product or service acceptable in the past?** Yes.

**Was there a return on investment anticipated when entering this contract?** Yes.

**Was that return on investment not met, met, or exceeded and how?** Met.

**Does this directly or indirectly feed one of the Social Enterprise tactics and how?** Yes, this a membership renewal with American Physical Therapy Association (APTA) which feeds the Social Enterprise tactic- Answer the Call for Healthcare Professionals and Actualize Employment tactics.

**Did the vendor amend Broward College's legal terms and conditions if the College's standard contract was used and was this acceptable to the Legal Office?** The General Counsel's office has reviewed the agreement and any deviation to the College's standard terms has been deemed acceptable.

## Foundation for Physical Therapy (FPT)

The Foundation is the first and only national organization whose sole purpose is to support physical therapy research. To date, 583 Foundation-funded researchers have gone on to secure an estimated \$753 million in funding from NIH and other sources to advance the profession. Your donation positively impacts the profession by supporting research to optimize movement and health in patients. All contributions are tax deductible.

## Minority Scholarship Fund (MSF)

The Minority Scholarship Fund honors outstanding minority physical therapy students in their final year of physical therapy education and minority educators pursuing doctoral degrees. Awards are based upon contributions to minority services and communities, the potential to contribute to the profession, and academic achievement.

## World Confederation for Physical Therapy (WCPT) Fund

WCPT is the global body representing physical therapy worldwide. As a member organization of WCPT, APTA members can access a wide range of WCPT benefits. Contributions support APTA's engagement in WCPT, and build the confederation's capacity to effectively advocate for and advance physical therapy in the global arena. To learn more visit [wcpt.org](https://wcpt.org).

## \*Physical Therapy Political Action Committee (PT-PAC)

PT-PAC was formed to empower the physical therapy profession to be more involved in the determination of federal laws and policies. APTA decided to create a mechanism that would allow the physical therapy profession to channel its financial and grassroots support to help elect candidates to Congress who are responsive to the physical therapy profession's goals and viewpoints.

### \*PT-PAC Contribution Disclaimer

Contributions to PT-PAC are not tax-deductible as charitable contributions. Contributions are voluntary. Your contribution will be used to support candidates for federal office who support physical therapy issues. The amount given by the contributor, or the refusal to give, will not benefit or disadvantage the person being solicited. The suggested amount is only a suggestion. More or less than the suggested amount may be given.

### \*\*State PAC Contribution Disclaimer

Contributions to state PACs are not tax-deductible as charitable contributions for federal tax purposes. Please check with your state to determine if you can deduct state political donations for state tax purposes. Contributions are voluntary. Your contribution will be used to support candidates for state office who support physical therapy issues. The amount given by the contributor, or the refusal to give, will not benefit or disadvantage the person being solicited.
