Presenter(s): Janice Stubbs, Vice President of Student Services

What is the purpose of this contract and why is it needed? In response to the ongoing request for more food options on campus, Student Life will host the Florida Fresh Market Enterprise Inc. This "Lunch Market" is a local traveling market that will be present one day a week at each main campus location (North, Central, & South). Located in designated areas (Bldg. 46/Breezeway, Bldg. 17 Circle, & Bldg. 68/Breezeway), the market will operate for 4 hours from 10am to 2pm. This initiative comes at no cost to the college and is fully insured. The Lunch Market aims to bridge the gap for students who may not typically have access to such vendors, promoting a community of health and wellness across the campus. This market will help meet the demand for more diverse and healthier food options while supporting well-being and enhancing the overall campus experience

What procurement process or bid waiver was used and why? Not Applicable

Is this a budgeted expenditure from the budget established at the last June Board of Trustees meeting?
There is no cost to the college, therefore it does not impact the budget.

What fund, cost center and line item(s) were used? Not Applicable

Has Broward College used this vendor before for these products or services? Yes this service was used FY-2023

Was the product or service acceptable in the past? Yes

Was there a return on investment anticipated when entering this contract? We anticipate a return on investment, particularly in terms of student retention rates as a measure of success. If students are retained at higher rates due to our initiatives, such as the Fresh Market, we view this as a positive ROI. The convenience of having fresh, locally sourced produce available on campus not only supports students in maintaining a healthy lifestyle but also enhances their overall campus experience through expanded offerings.

Was that return on investment not met, met, or exceeded and how? Yes, the ROI was met. Students, faculty, and staff all enjoy the additional offerings provided by the Lunch Market.

Does this directly or indirectly feed one of the Social Enterprise tactics and how? This directly feeds into the Social Enterprise Plan: "Increase student retention and completion or Empower Student Development - Provide A Best -On- Campus Student Experience"
